# NLC LEADERSHIP PROGRAM FOR WOMEN

Strong leadership starts with you.

## Strong leadership starts with you. But where do you begin?

You know your strengths – but don't use them fully?

You meet others' expectations – but lose yourself?

You have drive – but are still searching for direction?

You decide with your head – while your heart says otherwise?

You know you have a natural leadership style – yet try to fit others' expectations?

You want to lead – but daily operations hold you back?

## Did you answer “yes” to any of the questions?

Then this program is  
designed for you.

### My Strengths

You will discover what you truly excel at – and how to make the most of it. Instead of wasting energy on what doesn't suit you, you will build on what naturally strengthens you.

### My Leadership Style

You will learn to lead naturally – in a way that is true to you.
